Use of the Airwave System Policy Statement

1. Policy statement

Cleveland Police will:

- Provide direction and guidance for members of the force when using the Airwave system.
- Provide guidance on the structure and purpose of the system as available to the force.
- Provide guidance regarding interworking on the Airwave system with other forces and other agency sharers.

Airwave is a national digital communications service provided by Airwave Solutions Ltd. Airwave radically differs from the UHF and VHF system of police communication which it replaces, and provides new features and functions.
