The official ward newsletter for FENS
and GREATHAM

News for the Summer

As we ease out of lockdown life is thankfully showing signs of returning to normal.

Recently a large number of spent cream gas chargers were found at the old Sharwoods factory site in Greatham – this kind of solvent abuse is dangerous and will not be tolerated, and patrols will be further increased in the area to aim to prevent this happening again.

You said, we did

Operations have been ongoing over the past months to successfully target off road bikes. Patrols have been carried out in all areas of the ward and those caught acting antisocially have been dealt with accordingly.

Ward Priorities

1. Anti social behaviour on Mowbray Road, centred around The Family Shopper
2. Antisocial behaviour at Sharwoods factory site, Greatham
