SEATON ward

ASB Elizabeth Way/Domes fire setting

Although ASB calls reduced in the Seaton area during July, we continued to patrol the relevant areas that are a cause for concern. One of those areas is Elizabeth Way shops and also the building on the Domes land that overlooks Vickers Lane. The latter has been brought to our attention once again so I have made this a ward priority to try and tackle the issues.

You said, we did

Off road motorbike and general ASB calls have reduced significantly over the month of July.
